Valley View Medical Center's mission is simple: Making Communities Healthier<sup>®</sup>. By creating places where people choose to come for healthcare, physicians want to practice and employees want to work, we are providing quality care close to home and investing in our region's overall well-being. Your support allows us to continue to enhance the many ways we serve and care for Bullhead, Laughlin and Needles counties and the surrounding region today and for generations to come. Thank you.

— Feliciano Jiron, *CEO*
